

# AI Model Development Client Meeting

Wednesday, January 22, 2025 4:01 PM

20 / 80 split

Brian Hutchinson - send email regarding 20 / 80 split

Ground truth - prompts may create prompt engineering BIAS

Pedigree - methods of collection, how many hands has this passed through to get here

Provenance - the origins of data

Something to consider: Have any models on Ollama been edited? Are they being duplicated? Has the data been altered? Modified?
